數碼地面電視廣播事宜

根據政府剛剛公布，數碼地面電視將於本年底十二月三十一日正式啓播，香港將進入數碼廣播新紀元。

為配合數碼地面電視廣播及搜集數碼廣播之進一步資料，本處早前曾參加電訊管理局舉辦之有關講座，並安排承辦商於本屋苑進行數碼地面電視接收訊號測試，結果顯示現時本屋苑接收電視訊號之畢架山發射站暫時不會提供數碼廣播服務。但為使各住戶能成為首批接收數碼電視廣播之用戶，本處將會本月尾前於大廈公共電視系統加裝額外器材用作接收慈雲山發射站提供之第一階段數碼廣播訊號。屆時，住戶只須單位內加裝適當數碼電視接收器(機頂盒)或綜合數碼電視機，便可收看數碼電視節目。

另外，住戶可無需急於購買數碼電視機或機頂盒，現時接收之模擬電視訊號亦會同步廣播至二零一二年。本處會於稍後時間公布更多有關資訊。

如有任何數碼電視廣播之疑問，請致電二六零六 三七三一與管業處聯絡。

敬希垂注！

Digital Terrestrial Television Reception

According to the latest announcement by the Government, Digital Terrestrial Television (DTT) programmes will be launched from the existing two free-to-air television broadcasters **by 31st December 2007**. The transmission station at Temper Hill will be the first to broadcast DTT signals and our Building is located in the initial coverage area. We will upgrade our In-Building CABD System for reception the new DTT programmes and residents are required to buy a DTT receiver (set-top box) or an integrated digital TV set with a built-in digital decoder to view the DTT television programmes.

Also, please be informed that that the existing analogue terrestrial television will also be simulcasted until 2012. By that time, the public can still enjoy the existing four free-to-air analogue television programme channels with their existing television sets and no need to buy any additional equipment. Further information will be launched in due course.

For any queries, please feel free to call 2606 3731.
